  - 5 Behavioral Health
  - 5 Diabetes
  - 6 Heart Health

KHCN is the only HCCN dedicated 100% to Community Health Centers that operate in Kentucky and is uniquely positioned to help health centers improve clinical, financial, and operational practices that result in better health outcomes for the communities they serve. Access to training, technical assistance, and all KHCN programming is available at no charge to participating health centers.

Established in 2012 and funded through HRSA's Bureau of Primary Health Care, KHCN is one of 52 funded Health Center Controlled Networks (HCCN) that works to strengthen member capacities and proficiencies in the following areas:

## Direct Monetary Benefits

of KHCN Membership total more than \$650,000 annually

- Annual Security Risk Assessments
- EHR Optimization
